The Daily Appeal has a larger eir ation than all the other Memphis daily sapers combined.

WORK, OR CHARITY? The pestilence has almost wholly di appeared. These that are sick are or the high road to good health, and the city seems externally what it was before the fever set in. But the poor remain with us, while the heart has been take out of our fall trade, and a long, and it may be a severe, winter has yet to come. The generous sympathy of the whole country, which made itself manifest in acte of solid beneficence during the pestilence, we are abnormally sensitive of invoking a ontinuance of, and yet what other greent hope have we of providing for our poor and destitute people? Most willingly would we ask that the cup of numiliation pass from us, and most cheerfully would we, out of our own means, were they adequate, supply every demand made upon us by our suffering yet meritarious poor. There are fully two thousand families in the city Horita made destitute by the pestilence and the business prostration it entailed. On the low of three persons to the opinion. By this last decision the the family, we would have six thousand human beings dependent upon the bounty of the city for sustenance during the bleak winter months. Of these fully two-thirds are orphans who must ave more than the necessaries of life. for many of them are very young and tender girls and boys who have been suddenly deprived of both parents and of the comforts of home. Without, This is a very important decision and herefore, making any direct appeal to our more than generous dends in all parts of the coun-

situation in which we are placed. In the meantime we must not ourselves be idle. By that fortultous concatenation of events which evinces the goodness and wisdom of a kind and overruling Providence, the very means soon as her condition was made known London, November 6.—There was which the Appeal has so often suggested as necessary to the salvation of Memphis, will in their application, and smoothed the passage to the far to mitigate the severity of the suffer. Grave by affectionate sympathy and attention. She was in her day the most the most charming Lady Gay Spanker on the Thomas C. H. I., November 6.—

civil war, do not constitute duress in templation of law. If such a condition of affairs were considered dures SATURDAY MORNING, NOV. 8, 1873. per minas by the courts, it would be hard say what man in Texas was not under ress, not only during the war, but largely since. The court further decides that purchasers at sales made by Confederate receivers get no title to real property, and neither do persons claiming under them with notice. Parties holding such a title are in wrongful possession, and they are liable for rent and damages. We have also an interesting decision made by the supreme court of the United States, delivered on the third instant. It was in the case of the State of South Carolina ex relatione T. D. Wagner against Stoll county treasurer. The case was appealed from the supreme court of the State and involved the question of the validity of the issues of the bank of the State during the war. The charter of the bank, framed as far back as 1812, provided that the issues should be receivable for taxes. The county treas- fifty members. urer refused to receive them on the ground that they were issued in aic of the rebellion, and were, therefore, carroll and Mike Ganley, left to-night no legal tender. The court below sus- for Omaha, where they will finish train tained the objection and judgment was ing. given for the treasurer. This judgment was affirmed on a former argument in the supreme court, but upon a re-argument at the present term the judgment died to-day at Lynchburg, aged eightywas reversed, the same judge delivering eight years.
